**Aroma Therapy... Therapeutic Grade Essential Oils...
Reverse, Rebuild and Regenerate with Natures Leading Natural and Organic Medicine!**

Presented By Chérie Ross

Chérie has worked personally and professionally with essential oils for over 30 years. She is training and teaching internationally, having over 30 years in the Salon/Spa industry owning, educating & in product development. Chérie is a certified Animal Communicator, Karuna Reiki Master & Medical Intuitive. Chérie has recovered from a devastating car accident that left her with brain damage and life threatening and disfiguring injuries. Using Essential Oils she has also healed herself from Cancer and Lupus. Additionally Cherie is a sought after educator in the area of natural health, having been interviewed in a variety of TV, Radio and Professional Conferences. Cherie brings her vast knowledge to every seminar.

Introductory Class

For Humans & Animals \$20 person, \$25 married couple

Come and learn about natures medicine that other countries have been using for centuries in preventing and treating allergies, colds, flu, injuries, viruses and more serious health challenges. Essential Oils dramatically improves our bodies ability to slow down and in many cases reverse the aging process on a cellular level including damaging environmental effects. Cosmetically & Agriculturally Essential Oils are an excellent organic alternative to common "cancer causing" chemical based products. Also current research will be presented in the successful treatment of ADD & ADHD, heightened concentration, improved memory ability, depression, infertility, menopause, fibromyalgia, stress relief & other serious emotional/health challenges. Achieve outstanding results in enhancing your quality of life beyond your expectations, naturally and organically! Great for people and animals with feet, feathers, fur, hooves, paws!! This is one seminar you won't want to miss.

Also current research will be presented in the successful treatment of ADD & ADHD, heightened concentration, depression, infertility, menopause, stress relief & other serious emotional/health challenges.

Additional topics that will be addressed:

- The difference between Therapeutic Grade and other Essential Oils.... beyond fragrance
- 100% kill factor on infection, MRSA Staph, and toxic Black Mold, Flu, Lymes disease, Candida Albicans, HPV, Dental and Peridontal infections etc...
- Relief from chronic pain, sciatica, scoliosis, degenerative spinal disorders.
- Rapid regeneration of soft tissue injuries, wound care, chronic conditions.
- Auto Immune disorders; Lupus, Fibromyalgia etc...
- How essential oils affect cancer, ALS and other life threatening disorders.
- The use of Essential Oils on animals.
- Essential Oils for anti aging, improving memory, concentration, brain function/focus.
